

STEEL CABLE CUTTERS

EGA Master's steel cable cutters are designed for the most demanding industrial use.

1. For cutting steel cables.

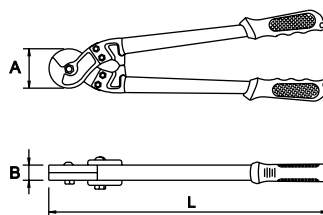

3. Blades made of Chrome-Vanadium, which ensures a higher resistance and durability (hardness 56 - 61HRC).

4. Ergonomic and comfortable handle.

CU-AL CABLE CUTTER

COD.	L (inch)	L (mm)	A (mm)	B (mm)			
62515	18	450	65	8,0	12	1,7	1
62516	32	800	90	9,0	16	3,6	

NOSE

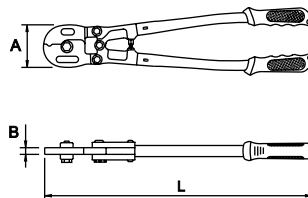

COD.	L (inch)	L (mm)
64331	18	450
64332	32	800

TECHNICAL SPECIFICATIONS

MATERIAL	Blades	Cr-V
	Handles	Steel
HARDNESS	Blades	56 - 61HRc
	Body	40 - 49HRc
FINISHING	Body	Painted in epoxi powder red color ral-2002 semi-texturized
	Blades	Black finished

H.D. WIRE ROPE CUTTER
