

ROLLER TOOL CABINETS

EGA MASTER roller cabinets are the ideal solution for tool storage in industrial environments, providing extra resistance and longer durability. Designed for the most demanding use, they offer smooth movement and maximum load capacity.

Available in 4 colors

1. OODO Antioverturn System allows the user to open only one drawer each time.

2. Manufactured in high-quality steel.

3. The central locking system ensures maximum anti-theft security and prevents undesired opening of the cabinet.

4. The reinforced heavy duty structure provides **500Kg of static capacity**, and the cabinet incorporates strong anti-shock bars.

5. The Roller Cabinet has a **folding side tray** that provides extra work space.

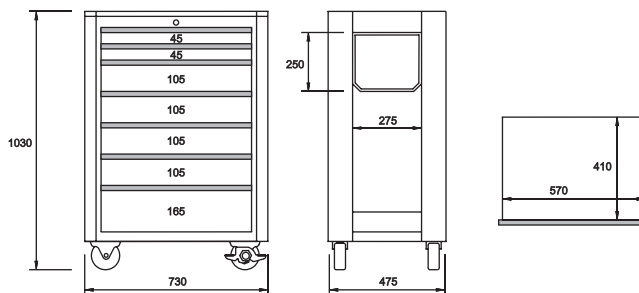

6. Different size drawers provide the maximum versatility for tool storage. **Equipped with ball bearings** to ensure smooth and comfortable operation.

7. The large ABS tray with 7 compartments includes one large central area for larger items.

8. Four tough castors enable smooth transportation, two of them have brakes and swivel.
