

# VOLTAGE TESTERS

**EGA Master** has developed a wide range of high precision and innovative electronic measuring and testing instruments, that will help professional end-users to do their job with complete safety, certain of a well done job.

*Maximum efficiency!*

Designed in accordance with the latest international safety standards IEC 61010 and IEC 61243-3. The voltage testers are fully automatic voltage indicators capable of measuring AC/DC voltage up to 690V. Both units have visual and acoustic continuity indication.

For the testing of voltage AC/DC, resistance, continuity and diodes.

With protection rating of IP65.

\*G12: 12 MONTHS OF WARRANTY

# TECHNICAL SPECIFICATIONS

ACV-DCV	12/24/50/120/230/400/690V
Continuity	0-100kΩ
Phase rotation test	50-60Hz
Auto range	●
Polarity	+ / -
Low battery indication	●
Short circuit detection	●
Waterproof	IP65
Power	3V (2 x AAA)
