

HINGED PIPE CUTTER

EGA Master's hinged pipe cutters have been specially designed for cutting **cast iron, steel and stainless steel pipes easily and quickly.**

Only an angle of 90° of rotation needed!

1. Its four cutting wheel make this pipe cutter an ideal tool to be used in **confined spaces where there is no possibility of full rotation.** The user doesn't need more than 90° of rotation.

2. For cast iron, steel and stainless steel pipes.

3. High durability, easy to use and comfortable.

STEEL HINGED PIPE CUTTER

COD	Ø	mm	Kg.	Box	Accessories
