

# TOOL CHEST

EGA Master tool chests are the ideal solution for industrial tool storage and transportation, providing extra resistance and longer durability.

Available in  
4 colors

**1.** Each drawer provides easy transportation and storage, with increased levels of safety coming from the **Anti-overturn system** which has **individual safety**.

**2.** Manufactured in **high-quality steel**.

**3.** The **central locking system** ensures maximum anti-theft security and prevents undesired opening of the cabinet.

**4.** The reinforced heavy duty structure **provides 260Kg of static capacity**.

**5.** Different size drawers provide the maximum versatility for tool storage. **Equipped with ball bearings to ensure smooth and comfortable operation**.

**6.** Side handles for **easier movement and greater comfort in transport**.

**7.** **Double pneumatic absorber** equipped lid.
