

ROLLER TOOL CABINETS

EGA MASTER roller cabinets are the ideal solution for tool storage in industrial environments, providing extra resistance and longer durability. Designed for the most demanding use, they offer smooth movement and maximum load capacity.

Available in
4 colors

Side handles!

1. OODO Antioverturn System allows the user to open only one drawer each time.

2. Manufactured in high-quality steel.

3. The central locking system ensures maximum anti-theft security and prevents undesired opening of the cabinet.

4. The reinforced heavy duty structure provides 500Kg of static capacity.

5. The large ABS tray with 23 compartments includes one large central area for larger items.

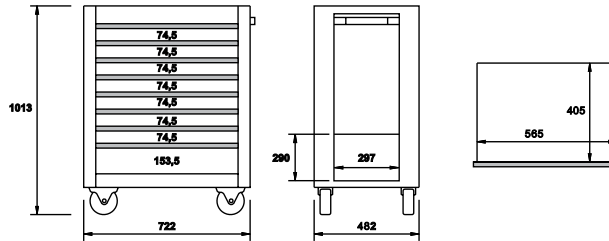

6. Different size drawers provide the maximum versatility for tool storage. Equipped with ball bearings to ensure smooth and comfortable operation.

7. With lateral trash tray and a small compartment adaptable to both sides.

8. Four tough castors enable smooth transportation, two of them have brakes and swivel.
