

TOP BOX TOOL CHEST

EGA MASTER top box tool chest is the ideal solution for industrial tool storage and transportation, providing extra resistance and longer durability.

Available in 4 colors

1. Each drawer provides easy transportation and storage, with increased levels of safety coming from the **Anti-overturn system** which has individual safety opening buttons on each drawer.

2. Manufactured in high-quality steel.

3. The central locking system ensures maximum anti-theft security and prevents undesired opening of the cabinet.

4. The reinforced heavy duty structure provides **60Kg** of static capacity.

5. Provided with side handles for easier handling and extra comfort when carrying.
