

# WALL CABINETS

EGA Master wall cabinets are the ideal solution for tool storage in industrial environments, providing extra resistance and longer durability.

**1. Hooks included + hole system** for a perfect distribution.

**2. Manufactured in high-quality steel.**

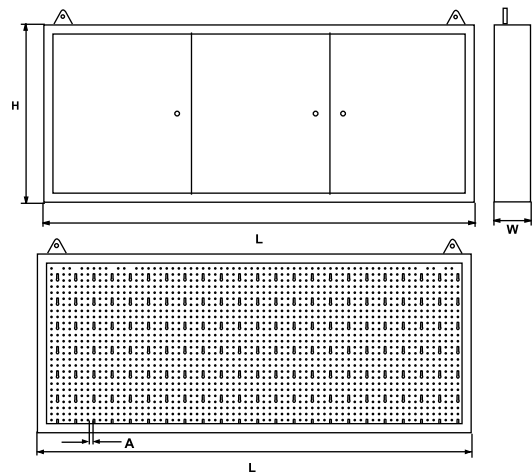

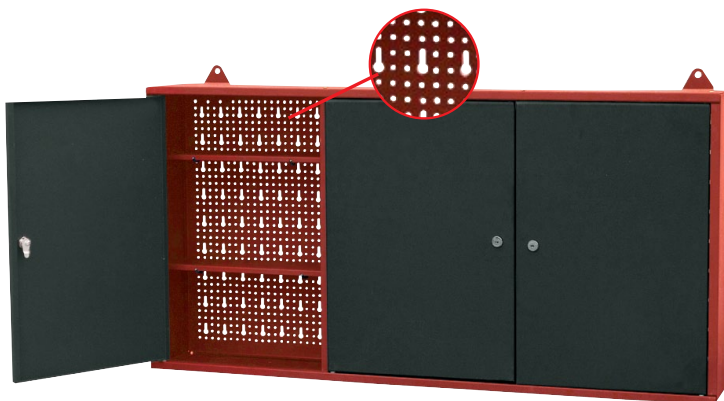

**3. Lock + keys** to avoid an unexpected opening and to guarantee the maximum anti-theft security.

**4. Comfortable and strong Wall attachment system,** assuring the perfect hanging.

**5. Its minimum thickness and its light weight** make it easy to put it anywhere.
